

TAKE 10!® Kindergarten Kit Materials Content List

All of the materials contained in the TAKE 10! Kindergarten Kit are found in this content list. Simply locate the content or academic area that fits with your lesson plan, select a suitable activity card and student worksheet, and TAKE 10! with your students. Don't forget to place the TAKE 10! classroom sign on your door, and hang one of the TAKE 10! posters in the classroom to track the number of activities completed.
